Charlie Grizzle – not ACC, but a ‘consultant.’ He has had a significant presence in R6 on many all three chemicals. Your communication plan is good.

Subject: Region 6 inquiry about Formaldehyde

Hi Kris and Tina,

I received a voice message from Michael Morton (ORD R6 RSL) asking about the status of IRIS Formaldehyde assessment. Someone from American Chemical is meeting with the Regional Administrator today.

Just wanted to know if you want me to respond or Emma.
